

(2) In column 11, the cost included in the records and reports prescribed by valuation order No.3 for property installed since date of basic valuation.

(b) [Reserved]

(c) In determining the cost of property retired from service when it is impracticable because of the relatively large number and small size of units of any kind to determine the specific cost thereof, average costs may be used.

(d) When changes are reported under the unit designation "lot," the cost applicable to such unit shall be also reported.

§362.107 Land for transportation purposes.

(a) Changes in lands owned or used for the purposes of a common carrier including acquisitions of lands or rights and lands retired, sold, or otherwise transferred, shall be reported on B. V. Form No. 588, subschedule "L," (§361.300) attached hereto and made a part hereof. This subschedule shall be filed in duplicate with one copy carbon backed. In the preparation of subschedule "L" there shall be shown in column 15 under the caption "Remarks" for lands acquired a statement of the specific use to which such lands have been put and for lands retired or transferred from carrier use the disposition thereof, such as sales, transfers to noncarrier, reversions, etc. Such lands shall be designated by the map number and parcel number shown therefor in the basic Land Report if included therein.

(b) Assessments for public improvements applicable to lands owned or used for common-carrier purposes shall be reported on subschedule "L" in total for each valuation section and by years.

(c) Incidental land cost need not be reported in detail; only the lump-sum cost applicable to each parcel need be shown.

§362.108 Costs applicable to land retired.

The costs to be reported under the heading "Property Retired" for items of land shall be, the cost at the date of dedication to public use, and separately, the amount entered in the investment account to record therein the retirement.

§362.109 Property transferred from carrier use to noncarrier classification and vice versa.

In reporting changes in carrier property, transfers from noncarrier to carrier use shall be considered additions and transfers from carrier use to noncarrier classification shall be considered retirements and conversely when reporting for noncarrier property.

§362.110 Jointly owned or jointly constructed property.

Changes in jointly owned or jointly constructed property shall be reported separately from other property. The total quantities and total costs shall be reported. The total cost shall be shown in the description column and a statement of the names of the owning or participating companies, individuals or political subdivisions with the amounts or proportions owned and contributed by each. The cost to be entered under the heading "Property Added" shall be the portion of the total cost borne by the company for which the report is made plus the cost of property relinquished and retired from service as a direct result of the arrangement less the salvage recovered therefrom, and less the depreciation accrued on the property. The net amount is part of the total cost of the property to the carrier.

§362.111 Changes made in or to property of other common carriers.

Where one carrier assumes the cost of a change upon another carrier's property or where one or more carriers participate with the owner in the cost of a change in the latter's property, the full details of the property units involved and their cost shall be reported separately from other property changes and the facts as to ownership and use shall be stated.

§362.112 Changes in use of property.

(a) Changes in use of carrier property, through leases from or to common carriers, shall be reported in sufficient particularity to permit identification of the property by ownership and physical characteristics in the basic valuation report or other valuation records.
